ADMINISTRATIVE LAW JUDGE'S RULING CONSOLIDATING PROCEEDINGS AND SETTING PREHEARING CONFERENCE SCHEDULE

On October 27, 2016, the Commission opened an Order Instituting Investigation (OII) into the November 2016 submission of San Diego Gas and Electric Company's (SDG&E) Risk Assessment and Mitigation Phase (RAMP). The Commission also opened an OII into the November 2016 submission of Southern California Gas Company's (SoCalGas) RAMP on October 27, 2016. The two OIIs were opened to allow the Commission to review the RAMP submissions of SDG&E and SoCal Gas.

Pursuant to Rule 7.4 of the Rules of Practice and Procedure, the two applications are hereby consolidated. SDG&E and SoCalGas are affiliated companies that are owned by Sempra Energy and share certain services provided by their parent company. The two applications involve related issues and questions of fact and law. Consolidation will promote efficiency and avoid conflicts in scheduling.

Because the above proceedings are being consolidated, notice is hereby given that a joint prehearing conference (PHC) will be held on Thursday, December 15, 2016, at 10:00 a.m. at the Commission Courtroom, State Office Building, 505 Van Ness Avenue, San Francisco, CA. The primary purpose of the PHC will be to discuss the scope of issues and the procedural schedule of the consolidated proceedings. The procedural schedule will address the scheduling of workshops, submission of reports, and comment period for the reports.

To facilitate the discussion of issues and procedural schedule, SDG&E and SoCalGas are directed to file a joint PHC statement with the Commission's Docket Office by Friday, December 9, 2016. The PHC statement shall provide a list and description of issues that SDG&E and SoCalGas plan to raise and a proposed schedule.

IT IS RULED that:

1. Investigation (I) 16-10-015 and I.16-10-016 are consolidated.
2. A joint prehearing conference is scheduled for Thursday, December 15, 2016, at 10:00 a.m., Commission Courtroom, State Office Building, 505 Van Ness Avenue, San Francisco, CA.
3. San Diego Gas & Electric Company and Southern California Gas Company are directed to file a joint prehearing conference statement containing a list and description of issues and a proposed schedule by Friday, December 9, 2016.

Dated November 17, 2016, at San Francisco, California.
